Educational Background

2012-2017	Western University , Honors Specialization in Psychology, BSc., Western Scholars
2014-2015	St. Andrews University , Academic Exchange
2008-2012	Regina Mundi Catholic College , Secondary School Diploma

Key Achievements

- St. Andrews Dean's List for Academic Excellence 2014-2015
- Robert T. Jones Scholarship (\$6,000 CAD towards academic exchange with St. Andrews University) 2014-2015
- Western Entrance Scholarship (\$2,500 CAD annually, up to \$10,000) 2012-2016
- Western Scholars 2012-Present
- Western Dean's Honors List 2012-2014, 2015-Present

Grants Awarded

- Natural Sciences and Engineering Research Council of Canada Undergraduate Student Research Award (\$6000 CAD) May 2016-August 2016

Research Experience

Dr. Wil Cunningham Computational Affective Neuroscience Laboratory (University of Toronto; co-supervised by Dr. Mark Daley of Western University) May 2016-Present

- Research Associate: September 2016-Present
 - Continue summer project
- Grant Holder: May 2016-August 2016
 - Assist in the design of attitude scales
 - Assist with design of study and data collection
 - Assist with data interpretation

Dr. Jim Olson Social Psychology Laboratory (Western University) September 2015- Present

- Honours Thesis Student: September 2016-Present
 - Design the methods and materials for the experiment
 - Analyze the results

- Write academic paper upon the completion of data collection
- Design and present a poster with the results
- Lab Manager: September 2016-Present
 - Interview and select potential research assistants
 - Train research assistants
 - Coordinate activity for research assistants
- Research Assistant: September 2015-April 2015
 - Run participants through experiments
 - Assist with literature searches for literature review and meta-analysis papers

Dr. Adam Cohen Social, Developmental and Cognitive Neuroscience Laboratory (Western University)

September 2015-Present

- Research Associate: September 2016-Present
 - Continue the project from the previous year
- Independent Study Student: September 2015-April 2015
 - Assist in development of methods for experiment
 - Run participants through experiments
 - Write academic paper upon completion of data collection

Dr. Barbara Dritschel Clinical-Cognitive Psychology Laboratory (St. Andrews University)

October 2014-May 2015

- Research Assistant: October 2014-May 2015
 - Score open-ended and closed measures (e.g., Beck's depression inventory, MEPS, etc.)
 - Run participants through different experiments

Dr. Matthew Maxwell-Smith Social Psychology Laboratory (Western University)

May 2014-August 2014

- Research Assistant: May 2014-August 2014
 - Clean the collected data via IBM SPSS software (e.g., deleted repeat entries, converted interval variables to nominal variables, etc.)
 - Score open-ended measures

Dr. Bertram Gawronski Social Cognition Laboratory (Western University)

September 2013-April 2014

- Research Assistant: September 2013-April 2014
 - Run participants through different experiments
 - Work with [SONA](#) system to book participants and assign credits
 - Attend weekly meetings to discuss the current research

Extracurricular/ Volunteer Experience

<p>Editor-in-Chief, Western Undergraduate Psychology Journal</p> <ul style="list-style-type: none"> • Delegate tasks to the editors • Coordinate many undergraduate students, faculty members and/or graduate students • Direct the publication of the journal 	<p>October 2013-August 2014; September 2016-Present</p>
