RESEARCH INTERESTS

- Flourishing: Psychological health and well-being
 - Positive institutions
 - Mental health
 - Prosocial emotions and behavior
- Motivation (Intrinsic vs. Extrinsic) and Self-Regulation
- Social identity

RESEARCH EXPERIENCE

Jun. 2015–Present

Clinical Research Assistant | X Health System
Center for Health Services Research (CITY, STATE)

- Assist Dr. X with a pragmatic trial of proactive mental health assessment in a general medical setting in this full-time position.
- Administer a psychiatric screening survey to patients at X Hospital, troubleshoot problems in the pilot study, and communicate the study's purpose and procedures to hospital staff and leadership.

Sep. 2014–Jan. 2015

Research Assistant | X College
Department of Psychology (CITY, STATE)

- Generated and refined categories for coding emotional narratives in collaboration with Dr. X and a thesis student.
- Analyzed narratives for causes, consequences, and emotion terms.

Summer 2014

Research Fellow | X College
Department of Neuroscience (CITY, STATE)

- Designed and ran two experiments under the supervision of Dr. X to determine how a particular neuropeptide affects feeding behavior in rats.
- Performed brain cannulation surgeries, drug injections (brain, IM, and IP), a drug dilution, ran feeding behavior tests, and maintained the health of rat subjects.

PROFESSIONAL EXPERIENCE

2012–2015

Student Health Educator | X College
Department of Health Education (CITY, STATE)

- Promoted health-positive behavior by designing informational material on mental health, alcohol and other drugs, nutrition, body image, and sexual health.
- Facilitated workshops and introduced new educational media such as blog posts and a Facebook page for healthy cafeteria recipes.
- Mentored a new hire in 2015.

Spring 2014

Teaching Assistant | X College
Department of Psychology (CITY, STATE)

- Graded assignments for Introduction to Psychology, taught by Dr. X.

Summer 2013

Editorial Intern | X Publishing
Corporate Learning (CITY, STATE)

- Analyzed working manuscripts, wrote scripts for instructional videos, and built content curation feeds to assist the Editorial Team in creating a new version of [COMPANY]'s flagship product: [PRODUCT], an online leadership development tool.

LEADERSHIP & ACTIVITIES

2012-2015

Director & Performer | [CLUB] (X College)

- Hosted and performed in weekly [TYPE OF] shows for the [COLLEGE] community; led rehearsals, trained new members, and planned special events.
- Created and facilitated a series of improv workshops for women to combat the gender gap in [X].

2013-2015

Associate Editor & Contributing Writer | [PUBLICATION] (X College)

- Wrote and edited articles for [PUBLICATION], X College's student-published magazine of social and political thought.

2014-2015

Mentor | X Women's Network (X College)

- Fostered a younger student's academic, professional, and social success through regular meetings.
